Power Platform Building Blocks

Innovation anywhere. Unlock value everywhere

Powerful alone. Better together.

How to bring Business and IT together with low-code. The **Microsoft Power Platform** is more than the sum of its parts.

Connect them together and to Office 365,

Dynamics 365, Azure, and hundreds of other apps to build **end-to-end business solutions**.

Transform your manual business processes to **digital, automated** one via a **low-code** approach rich in business logic and workflow capabilities.

Our Platforms

Power BI

Business analytics

Make informed, confident business decisions by putting data-driven insights into everyone's hands.

Analyse your data and get AI enabled insights with **Power BI**

Power Apps

Application development

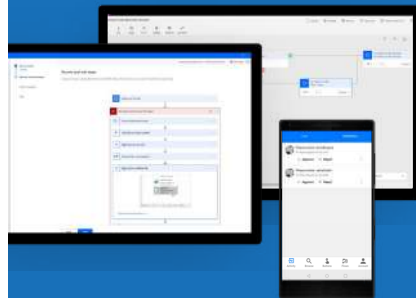

Turn ideas into organisational solutions by enabling everyone to build custom apps that solve business challenges.

Build mobile apps, desktop apps and web portals with **Power Apps**

Power Automate

Workflow automation

Boost business productivity to get more done by giving everyone the ability to automate organisational processes.

Automate tasks and business process workflow with **Power Automate**

Power Virtual Agents

Intelligent virtual agents

Easily build chatbots to engage conversationally with your customers and employees – no coding required.

Provide exceptional support to customers and employees with **Power Virtual Agents**

Data connectors

AI Builder

Microsoft Dataverse

Governance, Compliance & Security

The **Power Platform** has been **designed to scale**, and when managed and governed correctly, can help to **solve a range of business problems**, small and large.

Low-code tools and what they are good for:

Why Choose Us?

YOUR TRANSFORMATIONAL EXPERTS WITH 25 YEARS OF EXPERIENCE

We have been transforming the organisational landscape and enriching our customers' lives digitally for over 25 years, with more than 150 customers across the breadth of Africa benefiting from our services. We have selected the very best transformational tools and technologies that – together with our experience digitally – unleash the power of your existing and new technologies, and processes.

MOST EXPERIENCED MICROSOFT DYNAMICS COMPANY IN AFRICA

We have completed a host of projects; from full implementations and upgrades to advanced functionality, we have endured as the technology partner of choice with our clients.

PROUDLY SOUTH AFRICAN

Born and bred in South Africa, we understand the unique challenges of running a successful business in our country, and have developed software and services specifically tailored to our local market.

SUPPORT

Our team of experts are there to provide you and your team with the necessary training so that you can enjoy the full benefits of your new solution. Our support team will also be available 24/7/365 to ensure that you're always up and running.*

* Dependent on your requirements outlined in your SLA agreement.
